Colloquium on Long Term Care: Perspectives from the Community to the Long Term Care Home

This comprehensive forum brings together international experts presenting scientific updates on assessment, treatment and care management across the full spectrum of mental health for older people receiving long term care. Come for the Colloquium; stay for the Congress - 6-9 September!

Develop your own Long Term Care Day

This unique multidisciplinary one-day forum includes multiple tracks of interest. Verenso, the Dutch Association for Elderly Care Physicians, and the Netherlands Institute of Psychologists – Geropsychologists (NIP/SPO) along with the IPA Early Onset Dementia and Mental Health Services and Residential Care Task Forces are also contributing their expertise to the forum.

Choose from the following Plenary Sessions

- Ken Laidlaw - Cognitive behavioural therapy for people with dementia and their caregivers
- Linda Clare - A biopsychosocial approach to awareness in dementia
- Nancy Pachana - Neuropsychological feedback as therapeutic intervention in the elderly

- Marie Johnston - Behavioural intervention to reduce disability in stroke
- Clive Ballard - Challenges in utilizing psychotropic medications in LTC Homes
- Julian Hughes - Ethics and mental health in long term care
- David Conn & Wendy Moyle - Staff education & student training in LTC Homes

Other Workshops and Sessions will include:

- Awareness in dementia
- Case management
- Psychotherapy in MCI
- New developments in early onset dementia
- The role of the elderly care physician
- Group and individualized life review

The Organizing Committee also includes:

- Carlos de Mendonça Lima (Portugal)
- Richard Fleming (Australia)
- Maggie Gibson (Canada)
- Cees Hertogh (Netherlands)
- Yolande Kuin (Netherlands)
- Jay Luxenberg (United States)
- Raimundo Mateos (Spain)
- Nancy Pachana (Australia)
- Anne Margriet Pot (Netherlands)
- Nitin Purandare (United Kingdom)
- Dallas Seitz (Canada)
- Martin Smalbrugge (Netherlands)
- John Snowdon (Australia)
- Saskia Teunisse (Netherlands)
- Myrra Vernooij-Dassen (Netherlands)

Co-Chairs:

- David Conn (Canada)
- Raymond Koopmans (Netherlands)
- Wendy Moyle (Australia)
- Petra Borsje (Netherlands)

Site Visits –

Monday, 5 September 2011

Congress attendees will have an opportunity to visit local healthcare facilities through pre-arranged tours with IPA colleagues. This includes a visit to the Florence Centre for Specialized Care in Early Onset Dementia. Check the Congress website for sign-up information.

Early Registration Deadline Extended to 15 July
